Neri has always had a vivid imagination, but she never dreamed this could be possible...Neri Duke just wanted a weekend alone to think, to enjoy the last bit of summer and a few private moments watching the hottie next door on his private beach.But when the billionaire surprises her by coming home early, he thinks she was sent there for other purposes... Like giving him an heir?At first she's shocked, but Grant Stoughton is a professional argument-maker. Would she trade her innocence and her freedom for everything money can buy?Well, wouldn't everybody??**Standalone short story! HEA! Intended for mature readers only!**
